Most of our Round Robins run for 2 hours and consist of three 35 - minute rounds with a short warm up at the beginning of the 1st round. We use the “Up and Down” format for all our Round Robins. “Up and Down” is a rotation format where players move ‘Up’ towards the top court if they win a round or ‘Down’ towards the bottom court if they lose a round. Partners also split up after each round so that everyone gets to play with a number of people. *If players wish to play full sets instead of timed rotations, then **all** players on all courts must agree before starting.* Starting line-ups will be proposed for monitored round robins. (Line-ups may be modified to accommodate late arrivals or last-minute cancellations.)

To make the round robins enjoyable and challenging for all, **players should be rated by a pro or designated staff member and enter the round robin that is appropriate for their playing level.** If you have not been evaluated yet, please ask a pro for a rating or sign up for an evaluation session. Please note: We reserve the right to redirect self-rated players to a round robin that is appropriate for their level.

You can sign up for these round robins by login on and clicking the ‘[Register for Calendar Sign-Ups](#)’ and selecting the round robin you would like to register for. You can also call the club [\(519\) 885-3920](tel:5198853920) and ask staff to add your name to the list.

MEMBERS and NON – MEMBERS: Members have first priority. Two days before the round robin, if there are members on the wait list, any non-members will be removed to make room for them. Everyone will be emailed.

Unless specified the cost for non-members is \$20.

The balls used for the round robins must be returned to the front desk at the end of the session. If you sign up for a round robin and cancel within 24 hours, you may be charged for the round robin.
